

## **U.S. Army JAG Corps Summer Internship Application Procedures**

Interested students must submit the following:

1. A completed application (DAJA-PT Form 13)
2. Photograph (head to shoulders)
3. Résumé
4. Transcripts from all college and law school coursework. Internet grade reports are not acceptable. First-year students must submit their first semester grades, including interim grades if applicable. Transcripts may take some time to obtain, so applicants should request all transcripts approximately one month before the application deadline.

A brief writing sample and letters of recommendation are encouraged, but not required.

Additionally, all applicants must interview with a JAG Corps Field Screening Officer (FSO) prior to the application deadline. FSOs interview at most ABA-accredited law schools in the fall and spring.

Complete application packets must be received by the application deadline: November 1 for 2Ls and March 1 for 1Ls.

Mail your complete application packets to:
